BUCHAREST FASHION DISTRICT ASSOCIATION

For over 5 years, more Romanian designers are coming every year to The Bride Show, but 2 of them are here since at the beginning. Andree Salon and Cristian Samfira are 2 of the Romanian well-known brands in UAE, brands that succeed to sell their collections in big shops like Galleries Lafayette or Bugatti. With them, every year, other designers succeed on Middle East market through our fair.

To this edition, beside Andree and Samfira, other 7 Romanian companies will participate to The Bride Show Dubai.
